

4 Most Important Things To Know About Your **Business Coach** Shane Spiers

1

Principal Coach of Summit SCALE[®] Coaching (2017 to Present)

Coaches small to mid-sized business owners across the world to dramatically grow their profits year on year, build effective teams to help run their businesses and get time back for themselves. Coaches in a broad range of sectors, including amongst others, agriculture, arts, healthcare, energy, professional services, real estate, construction, technology and manufacturing.

2

Former CEO of Seven SME Companies (2012 to 2016)

Lead the growth of a group of seven small to mid-sized companies, managing the combined revenue growth of 300% (from £8m to £25m) in a single year and ultimately selling two of the companies for multi-million sums. Mobilized an £85m contract for the provision of support services to the UK Border Agency.

3

Former Managing Director FTSE 250 Business (1999 to 2011)

Part of leadership team that grew a real estate business 2000% in 8 years. As Managing Director-Operations, responsible for a £240m revenue business unit with £1.83 billion of real estate assets under management. Led a team of over 1000 people operating in 135 sites in 23 cities. Successfully led the business unit performance turn around from £400k to £11m net operating profit in two years.

4

Devoted Family Man and Outdoor Hobbyist (1999 to present)

Happily married to Clare with whom we are raising two teenage children and one chocolate Labrador: Love reading titles on business leadership and management and as former helicopter pilot all things aviation. Enjoys outdoor pursuits including running, hiking, sailing, skiing and fly-fishing. Being a kiwi I love my rugby and cricket!
